In 2023, 71% of businesses had a website

In 2023, 71% of businesses had a website. DesignRush announced the best web design companies that help businesses get engaging and professional websites.

NEW YORK, Dec. 2, 2023 /PRNewswire-PRWeb/ -- According to IBISWorld, just over 70% of companies and businesses had a website in 2023, and this number keeps growing. The website is the foundation of digital presence for any business in any industry.

DesignRush, a B2B marketplace connecting businesses with agencies, has identified the leading web design companies that help brands create websites that capture prospects and convert them into customers through their usability and aesthetics.

The **top web design companies in December** are:

1. Site Dudes - sitedudes.com

2. Commonwealth Creative Marketing - ccm-web.com

3. UbiWeb - ubiweb.ca

4. Upside - **upside.nl**

Upside specializes in bespoke web design, utilizing their exclusive Knowledge Leader Framework to transform consultancy firms into digital frontrunners. They equip in-house marketing teams with tailor-made websites that enhance trust, increase conversions, and attract a higher volume of quality traffic.

5. WorldwideRiches - **worldwideriches.com**

With over 25 years of web design expertise, WorldwideRiches transforms online presence into success stories. Their award-winning website designers specialize in developing custom, high-converting, SEO-optimized websites, ensuring immediate results and a significant ROI.

6. GeckoGrafix.Guru - geckografix.guru

7. TechnoScore - technoscore.com

8. Dominator Websites - dominatorwebsites.com
